Interior

The passenger cabin exudes distinctive taste and style

Glide in, and get comfortable with the ergonomically and innovatively designed passenger cabin that sets a new benchmark for SUVs.

Control panel embedded in steering wheel The steering wheel is discreetly covered in leather and installed with a master panel that controls the audio player and Multi Information Display (MID), all at the touch of your fingertips. Safety is enhanced.

Optitron luminescent gauges radiate a touch of class and offer optimum visibility in any light condition.

Masterfully designed Gate-Type gearbox responds favorably to every command.

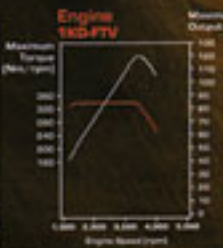

Multi Information Display (MID) keeps the driver informed of various helpful data including outside temperature, average fuel consumption rate, present fuel consumption rate, average cruising speed, travel time, estimated travel distance with present fuel level and a compass.

Digitally controlled A/C system is strategically positioned for optimum cooling and ease of use.

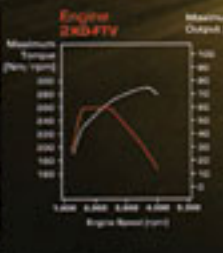

Woodgrain blend a touch of convenience.

Performance

Power to overcome obstacles. Conquer road obstacles over any terrain with ease and comfort.

Forceful D-4D commonrail 1KD-FTV 3.0-litre DOHC 16-valve engine with variable turbo and intercooler delivers up to 163 horsepower (120 kilowatts) at 3,400 rpm, and 343 NM of torque at 1,400-3,200 rpm. Sheer power and excellent fuel efficiency is ensured.

Responsive D-4D commonrail 2KD-FTV 2.5-litre DOHC 16-valve engine with turbo charge churns out 102 horsepower (75 kilowatts) at 3,600 rpm, and 260 NM of torque at 1,800-2,400 rpm. This vigorous engine produces the best fuel efficiency in its class, smooth engine operation and arousing acceleration.

Safety

Cruise with total peace of mind. Travel with confidence, knowing you and your passengers are protected by advanced safety features that exceed expectations.

Active Safety

Anti-Lock Braking System (ABS) prevents wheel lockups and skids under forceful braking, improves braking efficiency and helps the vehicle to maintain steering control and be directionally stable.

High-quality 15-inch disc brakes contribute to the overall impressive brake performance.

A turning radius as narrow as 5.7 metres means greater agility and mobility even in limited areas.

Projector headlights brilliantly illuminate dark roadways to enhance safety.

Stylish fog lamps improve visibility.

Multi-reflector tail lights make sure your car's rear can be seen from afar, even in harsh weather.

The 3rd Brake Light helps warn following cars to stop them from crashing into you in emergency braking situations.

Rear wiper for improved driving vision.
